

theBTcloud Privacy Policy

Our Commitment To Privacy

Effective as of March 31, 2011

Your privacy is important to us. To better protect your privacy we provide this notice explaining our online information practices and the choices you can make about the way your information is collected and used. To make this notice easy to find, we make it available on our homepage and at every point where personally identifiable information may be requested.

The Information We Collect

This notice applies to all information collected or submitted on and through the theBTcloud.com application. The types of personal information collected at these pages are:

- Name
- Email address
- Phone number

The Way We Use Information

We use the information you provide about yourself only to facilitate your learning experience. We do not share this information with any organization outside of QR Systems Inc.

We use return email addresses to answer the email we receive and to inform you of – what is new on theBTcloud. Such addresses are not used for any other purpose and are not shared with outside parties.

Finally, **we never use, share, rent or sell** the personally identifiable information provided to us online in ways unrelated to the ones described above.

Our Commitment To Data Security

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.

How You Can Access Or Correct Your Information

You can access all your personally identifiable information that we collect online and maintain by contacting us at the number listed below. We use this procedure to better safeguard your information.

You can correct factual errors in your personally identifiable information by sending us a request that credibly shows error.

To protect your privacy and security, we will also take reasonable steps to verify your identity before granting access or making corrections.

How To Contact Us

Should you have other questions or concerns about these privacy policies, please call us at 416 596 0505
